

REMARKS

Claims 1-10 are pending in the subject application.

Applicant has amended claims 1-10 and has amended the specification. In addition, Applicant has changed the Title and has provided a new Abstract of the Disclosure. As explained in more detail below, these changes do not introduce any new matter.

Applicant appreciates the Examiner's prompt allowance of claims 1-3, 5, and 8-10, and prompt indication that claim 4, 6, and 7 define allowable subject matter. Applicant's responses to the issues raised in the Office Action are set forth below.

In response to the objection to the Title, Applicant has changed the Title to "Folding Reclining Chair With Arms." Accordingly, Applicant respectfully requests that the objection to the Title be withdrawn.

In response to the objection to the specification, Applicant has amended the specification 1) to correct informalities, and 2) to change the term "bed" to "reclining chair" so as to bring the specification into conformance with the claimed subject matter. In light of the number of changes being made to the specification, Applicant is submitting herewith a substitute specification. Applicant's undersigned representative states that the substitute specification does not introduce any new matter. In accordance with 37 C.F.R. § 1.125, Applicant is also submitting herewith a marked-up version of the original specification that shows the changes being made thereto.

In response to the objection to the claims 4, 6, and 7, Applicant has amended the claims to address the issues raised by the Examiner. Accordingly, Applicant respectfully requests that the objection to claims 4, 6, and 7 be withdrawn.

Applicant has amended each of claims 1-10 to specify a "folding reclining chair with arms" instead of a "folding bed with arms" as originally specified. Upon consideration of the new Title suggested by the Examiner in the Office Action, Applicant has decided that the

phrase "folding reclining chair with arms" describes the subject matter shown and described in the subject application more accurately than the phrase originally used, i.e., "folding bed with arms."

In view of the foregoing, Applicant respectfully requests reconsideration and reexamination of claims 4, 6, and 7, and submits that these claims, along with allowed claims 1-3, 5, and 8-10, are in condition for allowance. In the event a telephone conversation would expedite the prosecution of this application, the Examiner may reach the undersigned at (408) 749-6902. If any fees are due in connection with the filing of this paper, then the Commissioner is authorized to charge such fees to Deposit Account No. 50-0805 (Order No. BSPAP008).

Respectfully submitted,
